NEW YORK CITY

Apparel Sourcing New York City is the

East Coast's only premier marketplace for brands, retailers, and designers to connect with international apparel manufacturers. Apparel Sourcing NYC offers direct access to suppliers of finished garments, private label, and contract manufacturing across men's, women's, children's, and accessories.

WHY EXHIBIT

Connections & Networking

Connect with key decision-makers for top fashion and apparel brands and engage with fellow global industry peers.

Relevancy & Exposure

Establish and maintain productive business relationships and enhance your company's presence in the US market.

Location

With over 900 fashion companies headquartered in New York City and more than 500,000 industry-related visitors each year, this globally recognized fashion capital of the U.S. stands at the forefront of creativity, style, and innovation.

We've exhibited at the show several times, finding it a fantastic opportunity to connect with both longtime & new buyers, and credits it with helping his business thrive.

– *Shreenie Vasan, Tana Bana Design Services LLC.*

First time exhibiting at the show, and it proved to be a great experience. We're eager to return for the Winter 2026 edition.

It was great to be part of the show again this year. As a returning exhibitor, I can definitely see how the show is growing year over year, which is something I anticipated after my experience last time.
