

Trade Cooperation Fair, Coal Mine Intelligent Innovation Development and Coal Production and Marketing Matchmaking Exchange Event, and the First Unmanned Mining Truck Engineering Application Conference 2025 were organized. These efforts analyzed and interpreted the main ideas of energy revolution and the future trends in the coal chemical industry from multiple perspectives in an all-round way and explored new ideas and approaches for the high-quality development of energy chemical industry and coal industry in Yulin City and across the country from the aspects of energy economy, energy equipment manufacturing industry as well as the energy revolution and innovation demonstration zone construction.

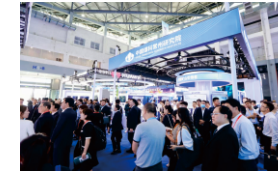

展会影响不断扩大 Growing Influence

榆林国际煤博会经过十九年的发展，影响力越来越大，“国际范”越来越足，引起中外媒体的广泛关注。人民日报、新华社、中央广播电视台、经济日报等中央媒体，陕西日报、陕西广播电视台等省级媒体，微博、抖音、今日头条等新媒体、自媒体平台，对榆林国际煤博会进行了全方位的宣传，海外媒体美联社、法新社、韩联社等410多家国际媒体进行转载报道，榆林国际煤博会对外影响力进一步提升。

During 19 years of development, the CYCE has seen its influence grow increasingly larger, attracting widespread media coverage from home and abroad. State-owned media, including People's Daily, Xinhua News Agency, China Media Group, and Economic Daily, provincial-level media, including Shaanxi Daily and Shaanxi Radio and Television Station, as well as new media and social media platforms, including Weibo, Douyin, and Toutiao, have conducted comprehensive coverage of the CYCE. Over 410 international media outlets, including the Associated Press, Agence France-Presse, and Yonhap News Agency, have reposted and reported on the expo, further enhancing the international influence of the CYCE.

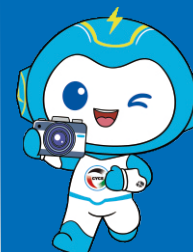

第二十届榆林国际煤炭暨高端能源化工产业博览会
将于2026年9月13日至15日在榆林市会展中心举行。

The 20th Yulin International Coal and High-end Energy Chemical Industry Expo will be held at Yulin Convention and Exhibition Center from September 13 to 15, 2026.

本届展会全面覆盖煤炭全产业链及能源转型前沿领域，预计展示面积10万平方米，吸引1000+家参展企业、10万+专业观众。设有综合成果展区、大型煤炭能源企业展区、智能数字化展区、国际企业展区、能源高效清洁利用展区、矿区环境治理与绿色矿山展区、新能源新材料展区与榆林科技成果展区等八大主题展区，展示能源企业形象成果、前沿技术及大型装备等，同期将举办10余场平行论坛及专项活动，诚邀您参加！

This year's expo covers the entire coal industry chain and cutting-edge areas of energy transformation, with an expected exhibition area of 100,000 square meters, attracting over 1,000 exhibiting companies and over 100,000 professional visitors. The expo features eight themed exhibition zones of comprehensive achievements, major coal energy companies, intelligent digitalization, international companies, efficient and clean utilization of energy, environmental management of mining areas and green mining, new energy and new materials, and sci-tech achievements in Yulin, showcasing energy companies' images, achievements, cutting-edge technologies, and large-scale equipment. More than 10 parallel forums and special activities will be held during the same period. You are sincerely invited to participate!

第二十届榆林国际煤炭暨高端能源化工产业博览会欢迎您！

Welcome to the 20th Yulin International Coal and High-end Energy Chemical Industry Expo!

第二十届榆林国际煤炭暨 高端能源化工产业博览会

The 20th Yulin International Coal and High-end Energy Chemical Industry Expo

📍 **中国·榆林**
Yulin, China

📅 **2026年9月13-15日**
September 13-15, 2026

地址：中国陕西省榆林市高新区榆溪大道高科城B座901室

Overview 概况

榆林国际煤炭暨高端能源化工产业博览会

Yulin International Coal and High-end
Energy Chemical Industry Expo

榆林国际煤炭暨高端能源化工产业博览会（以下简称“榆林国际煤博会”）作为中国商务部批准榆林市唯一保留的展会，由榆林市委、榆林市人民政府和陕西省贸促会共同主办，榆林市贸促会牵头承办，自2006年创办以来，已成功举办19届。

The Yulin International Coal and High-end Energy Chemical Industry Expo (hereinafter referred to as "Yulin International Coal Expo (CYCE)") is the only exhibition retained in Yulin City of Shaanxi Province with approval from China's Ministry of Commerce. Co-organized by the Yulin Municipal Committee, Yulin Municipal People's Government, and the China Council for the Promotion of International Trade (CCPIT) Shaanxi Sub-committee, and led by the CCPIT Yulin Sub-committee, it has successfully held 19 editions since its inception in 2006.

榆林国际煤博会深入贯彻落实习近平总书记来陕考察时指出的“促进煤化工产业高端化、多元化、低碳化发展”的重要指示，聚焦建设世界一流高端能化基地目标，一路走来，见证了榆林国家级能源化工基地建设历程，成为榆林对外交流合作的重要平台，成为全国煤炭能源行业的重要品牌展会。

The CYCE thoroughly implements the directive of "promoting the high-end, diversified and low-carbon development of the coal chemical industry" emphasized by President Xi Jinping during his inspection tour in Shaanxi Province in September 2021. Aiming at building a world-class high-end energy and chemical base, the CYCE has witnessed the construction of Yulin's national-level energy and chemical base, become an important platform for Yulin's foreign exchange and cooperation, and stand as a flagship event in China's coal energy sector.

多年来，榆林国际煤博会实现了从区域性展会到国际化展会的跨越发展，展览规模、展会层次和展会影响不断提升，取得了良好成效。

Over the years, the CYCE has achieved leapfrog development from a regional event to an international one with its continuously improving scale, level and impact, achieving good results.

展览规模不断提升 Expanding Scale

榆林国际煤博会展展示面积由创办初期不到2万平方米扩展到目前的9万多平方米，参展企业由200多家增加到900余家，累计吸引了美国、德国、法国、英国、西班牙意大利、俄罗斯、瑞典、韩国、马来西亚、柬埔寨、哈萨克斯坦、赞比亚、埃塞俄比亚等30余个国家和地区、超4000家煤炭和煤化工企业及产业链上下游企业参与。历届煤博会都围绕能源行业的新趋势确定展会主题，合理设置展区，展示煤炭及能源化工领域前沿技术和创新成果。展览展示面积、参展企业数量和参展人数呈逐年增加趋势。

The exhibition area of the CYCE has grown from nearly 20,000 square meters initially to over 90,000 square meters, with participating enterprises increasing from over 200 to over 900. In total, the CYCE has attracted more than 4,000 coal and coal chemical companies as well as upstream and downstream companies in the industrial chain from over 30 countries or regions, including the United States, Germany, France, the United Kingdom, Spain, Italy, Russia, Sweden, the Republic of Korea, Malaysia, Cambodia, Kazakhstan, Zambia and Ethiopia. The theme of previous editions is based on the new trend of the energy industry, with the exhibition areas being rationally set up to display cutting-edge technologies and innovations in the field of coal and energy chemical industry. The exhibition area and the number of participating companies and attendees are increasing year by year.

展会层次不断提高 Enhanced Quality

榆林国际煤博会充分发挥平台作用，加大开放合作，以会展+科技创新、会展+智慧数字等思路，通过院士论坛行业峰会、产业推介等专题活动，邀请国内外知名专家学者，探讨煤炭行业的绿色转型与高质量发展路径。先后举办了“一带一路’国际产能合作论坛”“全国煤炭行业高质量发展论坛”“现代煤化工高端化多元化低碳化发展院士论坛”“中国(榆林)—韩国产业推介暨经贸合作洽谈会”“煤矿智能化创新发展与煤炭产销对接交流活动”“2025首届无人驾驶矿卡工程应用大会”等80多场专项活动，多视角、全方位对能源革命的主要思路、煤化工产业未来发展趋势进行分析和解读，从能源经济、能源装备制造制造业、能源革命创新示范区建设等多个方面，为榆林乃至全国能源化工产业和煤炭行业高质量发展探索新思路、新路径。

The CYCE has fully leveraged its role as a platform, enhanced openness and cooperation, invited renowned experts and scholars from home and abroad to explore ways for green transformation and high-quality development of the coal industry through special events, including academican forums, industry summits, and industrial matchmaking sessions based on the approaches of "exhibition + technological innovation" and "exhibition + smart digitalization". More than 80 special events, including the "Belt and Road" International Production Capacity Cooperation Forum, China Coal Industry High-quality Development Forum, Academican Forum for High-end Diversified and low-carbon Development of Modern Coal Chemical Industry, China (Yulin) - Republic of Korea Industry Promotion and Economic and
